

# VAPOR SURFACE PROTECTION

THE BEST SURFACE PROTECTION FOR THE BEST PRICE, **PERIOD!**

**ANTI-SLIP:** Safe non-adhesive latex will aid in the sturdy grip to all horizontal surfaces, no tape necessary.

**WATERPROOF:** The top layer of film will prevent spills and liquids from penetrating to the surface. Simply wipe up and move on.

**SAVE TIME AND MONEY:** Protect your Client's surfaces for pennies a square foot: Easy and fast to roll out.

**BREATHABLE:** Bottom fibers assist in eliminating moisture.

**DURABLE:** Protect from foot traffic, impacts, dust, dirt, debris and spills. Simply clean up and re-use.

**CUSTOM PRINTING AVAILABLE:** Increase your brand awareness by printing your business logo.

**SMALL MINIMUM REQUIREMENTS:** Order as little as 30 rolls per order/60 rolls custom printed.

**ROLL DIMENSIONS:** 1M' x 100' and 329ft<sup>2</sup> of coverage

**FOR BEST RESULTS:**

- Test area prior to installation
- Overlap 3" where needed
- For all recently finished floors, ensure floors are dried to manufacturers specifications
- Leave down for no more than 100 days, checking periodically as conditions may change
- Clean and wipe surface prior to rolling out Vapor
- Safe for all surfaces: Test on extra porous surfaces and natural stone
